Re: Response to Request for information Pursuant to Section 104(e) of CERCLA for
the Lower Duwamish Waterway Superfund Site, Seattle, Washington

Dear Ms. Eckman:

This letter is timely written on behalf of Exotic Metals Forming Company LLC in response to a CERCLA Section 104(e) Request for Information from U.S. Environmental Protection Agency, Region X, dated July 21, 2009, with respect to the above-referenced matter. The enclosed responses are provided, after a diligent search of business records and correspondence, in the same order as the questions were set forth in the subject Request for Information.

I trust that this letter and attached responses adequately respond to the subject Request for Information. Nothing contained herein shall constitute or be deemed to be an admission of any fact, issue of law, responsibility or liability on the part of Exotic Metals, nor is it intended to or shall it be considered as a waiver of any defense, right or entitlement that Exotic Metals may possess now or in the future.

If you have any questions, comments or concerns regarding this response to the Request for Information, please do not hesitate to contact me at the above phone number or address.

Sincerely,

FOSTER PEPPER PLLC
